

One Planet

Phoenix are proud to be an ethical manufacturer whose principles are founded on the reduction of our carbon footprint throughout the supply chain and a responsible approach to both quality and the satisfaction of our clients.

Phoenix believe strongly that our planet is our responsibility, that is why for every piece of bathroom furniture we sell we secure the planting of a tree via the **Eden Reforestation Project**.

The **Eden Reforestation Project** mission offers the dignity of fair employment to people living in impoverished communities who become transformational agents of global forest restoration. Eden's global restoration network is creating livelihoods for millions of people living in extreme poverty by empowering them to restore and protect forests on a massive scale.

Phoenix plant a tree for every piece of furniture we supply

Flawless Designs

The Phoenix design team take inspiration from all aspects of life, bringing together, not only aesthetic beauty, but everyday practicality. Blending form and function seamlessly to create sensory products designed to be used in everyday sanctuaries to elevate your well-being.

UK Manufactured

Drawing on our 40 years of manufacturing heritage, Phoenix invested heavily in industry leading, world renowned machinery in our state of the art, purpose-built furniture production facility based in Yorkshire.

All Phoenix furniture is manufactured to exacting standards using components from world renowned, industry leading brands. Working closely with suppliers ensures a seamless production and supply process. This gives Phoenix total control over stock, designs, and most importantly quality of materials and build.

Find Your Local Phoenix Accredited Bathroom Specialist: www.phoenix-uk.com

Choosing your dream bathroom can be an emotional decision. Ready to assist you along the way, your specialist local Phoenix retailer has extensive industry knowledge and their dedicated service will turn your ideas and dreams into a bathroom reality!

Accredited Retailers

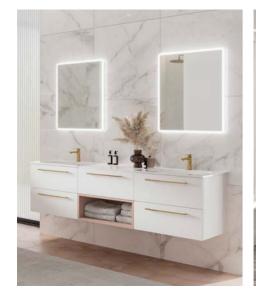

Our Phoenix accredited retailers display the most comprehensive range of Phoenix products, presented in lifestyle room settings allowing you to touch and feel the quality of the products. These accredited bathroom specialists will offer you a consultation with Phoenix trained and certified bathroom designers who can provide you with design installation and aftercare services.

TABLE OF CONTENTS

Form and functionality, down to the last detail, make using the Phoenix brochure not only aesthetically pleasing but enhance the creation of the perfect bathroom design for every home.

THE CONCEPT

No two homes are precisely the same, which is why Phoenix have created the most versatile furniture collection available today.

Boasting fifteen stunning contemporary unit colours, nine worktop colours and multiple handle designs and colours, the Phoenix I-Zone® collection is truly unique.

By following our simple steps, creating a dream bathroom could not be easier - a universe of possibilities where your imagination is your only boundary.

4 simple steps to creating a Phoenix I-Zone® dream bathroom

Step 1 - Select the unit colour of your choice.

Step 2 - Select the handle colour and design of your choice.

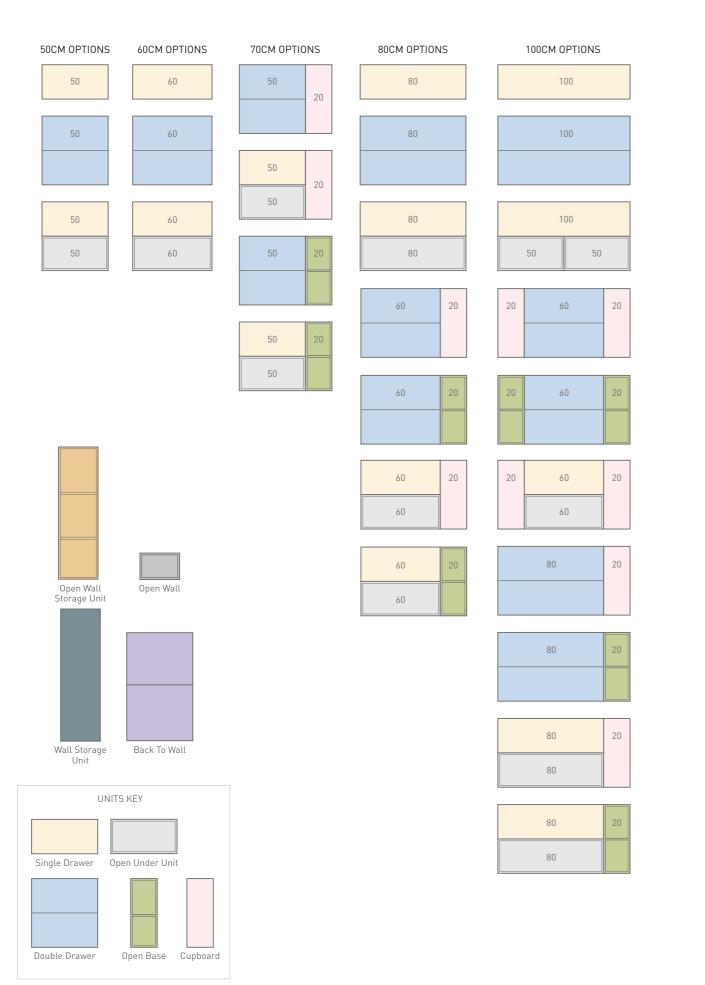

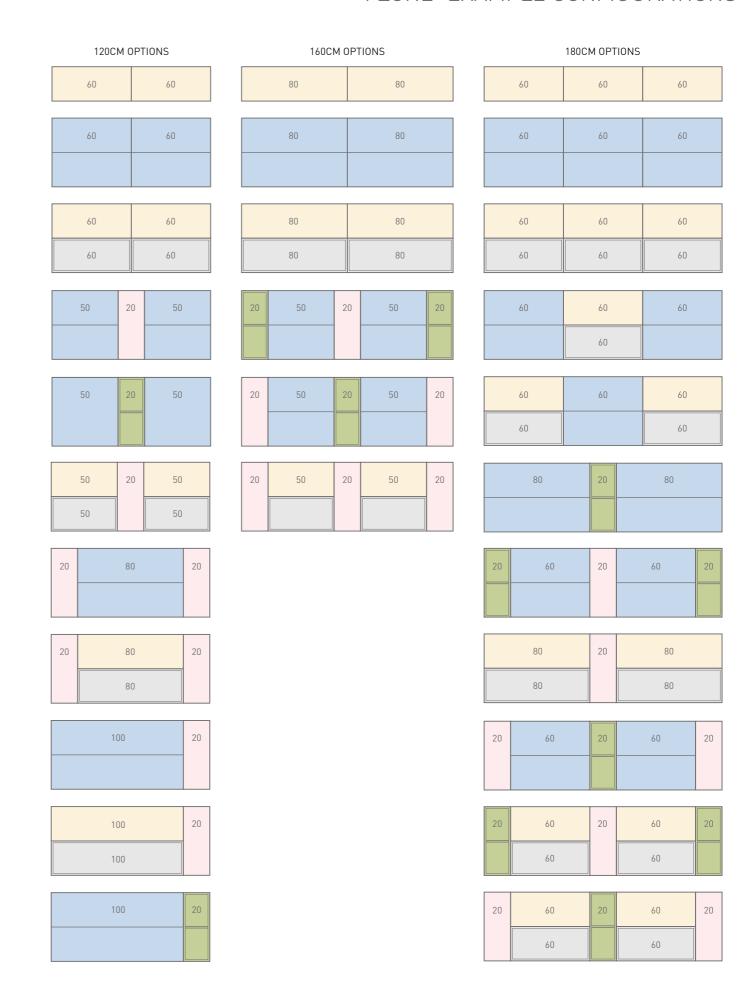

Step 3 - Select the units required.

Step 4 - Select your basin or worktops. For vanity basins, see page 158.

FITTED FURNITURE

Fitted furniture comprises of a run of adjoining base units in complementary or contrasting colours finished with a continual worktop.

This range can be wall mounted or floor standing simply by using the adjustable legs with a continual plinth to create a fully fitted design.

FITTED FURNITURE

This clean crisp design was created using our Arno basin and standard depth units. The design features Gloss White units and a Lunar Grey solid surface worktop, the finishing touches were added using a Tenbury handle and Lune WC.

Tenbury Handles

Arno Semi Recessed Fully Back to Wall Basin

Cashmere Gloss

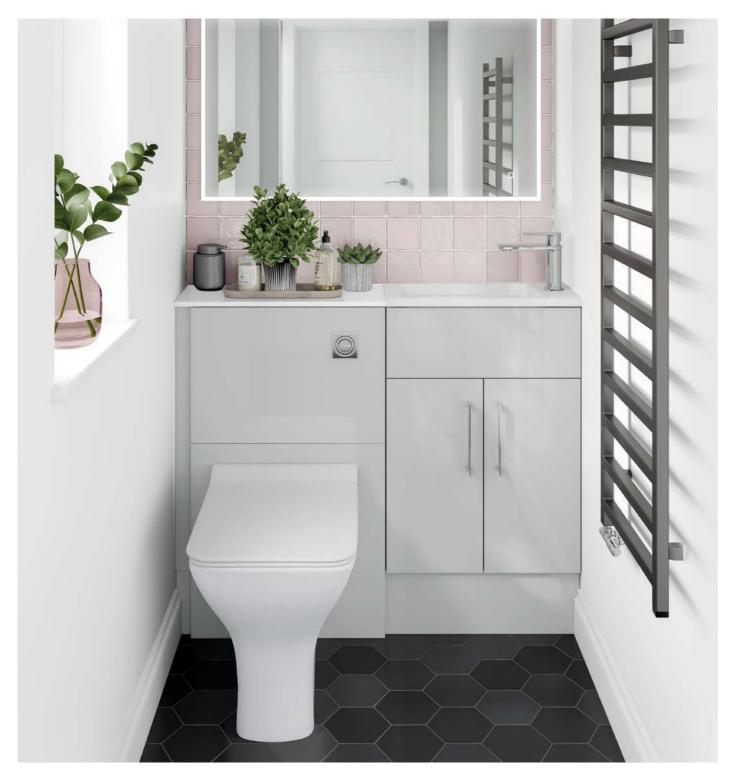

An earnest, timeless opulence, created through the use of Cashmere Gloss cabinets enriched with White Carrara solid surface worktops and beautifully finished with a mineral cast fully back to wall semi recessed basin. Combining wall and floor mounted elements helps to create flow in this chic design.

Smooth Cashmere Gloss Handles

Reno Semi Recessed Fully Back to Wall Basin FITTED FURNITURE FITTED FURNITURE

Dove Grey Gloss

This minimalist space-saving design features a Liri basin, Dove Grey Gloss units and is topped off with Sparkling White worktops. This cloakroom is stylishly accessorised with Askern handles and the Lune WC.

Askern Handles

Liri Basin

Matt Fern

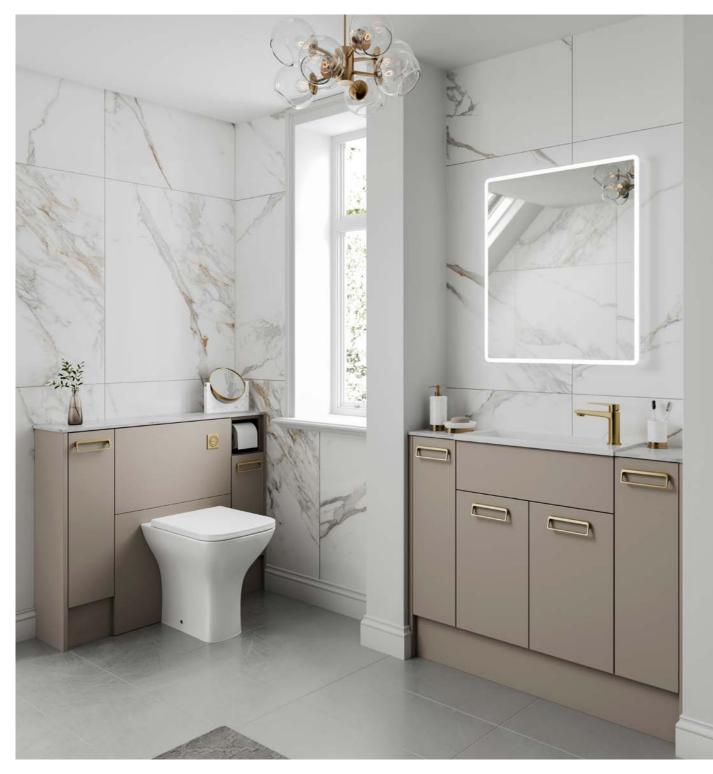

This modern bathroom design was created using the Arno basin with Matt Fern wall-mounted units. Elegantly paired with Lunar Grey solid surface worktops, the Askern handles and Lune WC finish off the design perfectly.

FITTED FURNITURE FITTED FURNITURE

Stone Matt

When space is an issue, design perfection doesn't have to be. Utilising the slimline units in Stone Matt and topping them with White Carrara solid surface worktops gives this design the wow factor you are looking for. The brushed brass Livello handles and Lune WC are also the perfect complement to the Liri basin.

Brushed Brass Livello Handles

Liri Basin

Matt Graphite

Combining modular and fitted elements seamlessly to create a practical and elegant bathroom solution. This bold look was created using Matt Graphite units with a continual White Carrara worktop. It features brushed brass Knurled handles and a Nemi counter top basin.

Knurled Brushed Brass Handle

Nemi Counter Top Basin

PHOENIX

From contemporary matt finishes to stunning high gloss and warming, natural effect wood, Phoenix have a perfect choice to complement any bathroom design.

5 Simple Steps:

Step 1

Selecting a cabinet colour from the Phoenix collection is the first step in choosing your dream bathroom.

Step 2

Select a basin and base unit from our slimline or standard ranges. Choose your complementary base units to create your perfect bathroom setting. Finish off with our wall cabinets and mirrors.

Step 3

To enhance your design select from the Phoenix range of plinths, corner posts, fillers, cladding panels or bath panels.

Step 4

Choose from our range of matching or contrasting solid surface or laminate worktops to give your bathroom that unique appeal.

Step 5

Choose your handle from the Phoenix designer bathroom handle series.

BATHING

Affordable Luxury

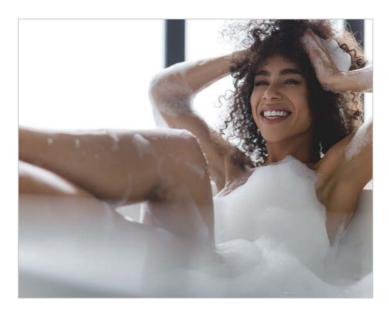

Phoenix whirlpool and airpool systems are luxurious, affordable and one of the finest investments you can make in your personal and family well-being.

AMANZONITE

Developed from years of experience and using the latest technology, each system has been carefully designed to ensure maximum benefit with long lasting reliability.

Choose from 3 high performance whirlpool and airpools, each one is manufactured specifically to suit your chosen

The Quality of an Amanzonite Bath

Over the last 20 years Phoenix have developed an unrivalled reputation for luxury bathing

Amanzonite is our modern technical advance which delivers the ultimate in strength, rigidity and heat retention. It uses a reinforced layer which enhances the baths thermal properties giving you a consistent bathing experience time and time again.

Amanzonite is now respected throughout the industry and is the barometer of quality by which bath manufacture is judged. As a result, it has become our most popular bath option.

UK Manufactured

For over 20 years Phoenix have been at the forefront of whirlpool design and innovation.

manufactured to exacting standards at our Yorkshire production facility using components from world renowned, industry leading brands. Working closely with suppliers ensures a seamless production and supply process and gives us total control over stock, designs, and most importantly, quality of materials and build.

PHOENIX

Developed from our unrivalled industry experience to provide cleaning & maintenance solutions and luxurious design options, Phoenix whirlpools' unique design features include:

- V-Jet system fully drains the bath every time
- Phoenix Dry-Run Pump Protection means the system can't run without water
- All airpool jets are made from chrome-plated solid brass and non-return valves prevent unseen water sitting in pipes

WHIRLPOOL & AIRPOOL SYSTEMS ‡

- Variable three-speed airpool blowers allow you to customise your bathing experience
- An optional inline heater, on system 1 & 3 baths, can maintain a consistent water temperature during bathing

Easy-to-use lighting features can also enhance your bathing experience with underwater, rotating and coloured light options.

Whirlpool

Standard Features:

- A Whirlpool On/Off Switch
- B 2 x Air Flow Controls
- C Directional Whirlpool Jets

PVD DURABLE COATING

Phoenix recommend the installation of an inline water fillter to prevent the build-up of limescale and maintain the longevity of all your household products, including your taps and showers.

For showers on a low/medium pressure system, we recommend that a negative head pump is installed. For home pressure diagrams see page 360.

NEOPERL

l Phoenix taps are cast from the finest brass raw

rome plated brass giving ou

EXPOSED SHOWERING SOLUTIONS

Rigid riser rails were originally designed to be used where the wall cavity will not allow for a concealed valve. Things have moved on a long way since then and now these exposed shower units encompass extremely beneficial features including touch on/off controls and our Coldtouch safety feature.

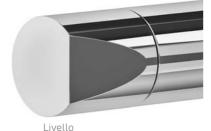

PVD utilizes a Titanium Nitride that provides an extremely **durable** and **hard-wearing** coating. PVD coatings possess a far higher resistance to wear than traditional gold plating. It is a fact that the PVD coating will stay on the product longer than traditional electroplating and powder coating.

CONTROLLING YOUR HEATING CONTENTS

CH CENTRAL HEATING

All Phoenix radiators are designed to work in conjunction with hot water central heating systems and are clearly marked with the CH symbol in the brochure to denote this.

Many of the Phoenix radiators can be used with an additional heating element. Dual fuel radiators can be used either with the central heating system and the heating element switched off or with the heating element switched on if the central heating is not required in other rooms, this is called dual fuel.

DIGITAL THERMOSTATIC DUAL FUEL

Phoenix have developed a wireless digital touchscreen controller that can be added to your dual fuel radiator to give ultimate control with the programable timer.

THERMOSTATIC DUAL FUEL

To give even more control to your dual fuel radiator you can install a thermostatic heating element to give control in reaching your desired temperature.

▼ PRE-FILLED ELECTRIC ONLY^{‡‡}

All Phoenix pre-filled electric radiators are specially produced and factory filled with Fernox heat transfer anticorrosion fluid to maintain product quality for years to come.

All Phoenix pre-filled electric radiators can be fitted in conjunction with our wireless digital touch screen controller to give you ultimate control of temperature.

Each radiator style is clearly marked with the relevant symbols for compatible fuel types available. Product compatibility is the responsibility of the installer.

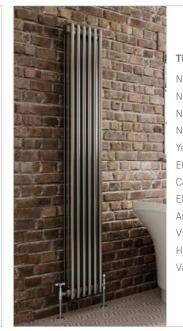

All Phoenix radiators are tested at $\Delta 60$.

All Phoenix standard designer radiators can be used in Each radiator style will be marked with the relevant symbols conjunction with water central heating systems. We have also for fuel types available: developed dual fuel radiators which can be used with both a water central heating system and as a stand-alone unit.

To use a dual fuel radiator as electric only – for example in the warmer summer months when just a small boost in heat is required - you need only switch off a flow valve to utilise a heating element. This will allow your radiator to be heated independently of the central heating system, providing warmth on tap in a cost effective and carbon-friendly manner.

You can gain even further control of your heating levels with the dual fuel radiators by utilising either a standard heating flexibility and control, you can also add our wi-fi enabled Digital Touchscreen Programmable Thermostatic Timer to your dual fuel or all electric radiator.

DUAL FUEL

THERMOSTATIC DUAL FUEL

DIGITAL THERMO DUAL FUEL

PRE-FILLED ELECTRIC [‡] (Production Item)

All our electric sealed radiators are supplied pre-filled with element or a thermostatic element. To give you even greater anti-corrosion fluid to maintain product quality for years to come. The Heating Element is supplied in the box and can be fitted on either side of the radiator. Product compatibility is the responsibility of the installer.

TERMS & CONDITIONS

PHOENIX PRODUCT GUARANTEE:

All product guarantees are subject to the following terms and conditions: The product has been fitted/installed in a well ventilated room with appropriate air extraction, and in accordance with the appropriate fitting instructions, local bylaws, by a competent qualified installer and in line with general good plumbing practice; The product has been maintained and cared for in accordance with the instructions (including regular and appropriate cleaning); If any product has been modified, misused, neglected, wilfully or accidentally damaged; or if Phoenix have not received payment in full; then the product guarantee is invalid.

The guarantee on all products is 12 months from the date of supply from Phoenix unless otherwise stated. The guarantee only covers the material structure of products (excluding shattering glass) and not serviceable moving parts that perish due to fair wear and tear such as cartridges, valves, hinges, seals, bulbs etc.

In the event of a guarantee claim, the liability of Phoenix is limited to the product supplied and does not extend to consequential loss or damage arising from defective product. The guarantee applies to the original purchaser ONLY and is not transferable. This guarantee does not affect your statutory rights and is applicable in the UK Mainland and Republic of Ireland (exclusions apply, see website for details). All products installed in a commercial or rental property environment carry a 12 month guarantee.

The specifications and prices contained within this brochure are for information purposes only and, as our products are continually updated, are subject to change without prior notice. We cannot be held responsible for the use of incorrect dimensions shown for first fix without the actual products on site. All dimensions stated in this brochure are nominal and are subject to manufacturing tolerances. All prices include VAT at 20%.

For technical information and downloadable Data Sheets, please visit: www.phoenix-uk.com

To guarantee your Phoenix product, please register within 15 days of receipt. Visit: www.phoenix-uk.com/pages/guarantee

For product cleaning & maintenance information, please visit: www.phoenix-uk.co.uk/care-maintenance

[‡] System Bath Production Item - All these production items are specially produced in our UK factory and have a production/despatch time of approx. 5-7 working days. These items cannot be cancelled or returned after production has commenced.

^{‡‡}Pre Filled Electric Radiator Production Item - All these production items are specially produced in our UK factory and have a production/despatch time of approx. 3-5 working days. These items cannot be cancelled or returned after production has commenced.

RETURNS PROCEDURE:

Phoenix appreciate that choosing your ideal bathroom does not always run as smoothly as you may wish. Whilst we do not operate a sale or return policy, we do provide an option for the return of products under the conditions below:

- 1. It is our policy to only accept the return of unwanted products in good condition in their unopened original packaging that have been supplied within one month from the date of invoice. Returns requests can be made at: www.phoenix-uk.com/pages/online-returns-form
- All return requests must be made by the Phoenix Customer who originally purchased the goods stating the original invoice or delivery note number, the product code and description, quantity of items for return along with a clear description of the reason for return.
- 2. Upon receipt of the returns request our returns team will process the relevant paperwork to arrange the collection of the requested products. We may sometimes require additional information relating to the returns request such as images of the products to highlight any relevant reason for return. It would be a benefit if these can be provided at the time the returns request is submitted to us. Once confirmation that the goods are available for collection a carrier will be booked to collect the items. Should a failed attempt be made to collect the goods for return then a fee to cover the transport costs for the failed delivery may be applied and deducted from the value of the credit.
- 3. All items that are due to be returned must be suitably packaged to reduce the risk of damage during transit. Any products that are found to be returned damaged due to being unsuitably packed may result in a request for credit being refused.

- 4. Any products returned in a condition other than that which is stated in the returns request may result in a request for credit being refused.
- 5. Any items that have been reported and accepted by Phoenix as faulty or damaged will be credited in full upon inspection on return to our warehouse. Please note that any damages or shortages will only be accepted if reported within two days of receipt in writing by email. Notification outside of the two day period will void any claim.
- 6. All items returned, with the exception of faulty or goods reported damaged when originally delivered, will be subject to a transport and administration charge.
- 7. Any goods returned as not required may be subject to a restocking charge. To obtain the value of the restocking charge in advance of any return, please contact our returns team by email at: returns@phoenix-uk.com providing the details of the product and original purchase invoice. Any restocking charge will be applied to the credit issued in line with our terms and conditions of sale.

As per our conditions of sale and terms of our guarantee, the liability of Phoenix is limited to the product supplied and does not extend to consequential loss or damage arising from products received defective or damaged
